

Beacon House Donation Form

For over 50 years, the Beacon House has helped to change lives and help thousands achieve a lifetime of recovery from alcohol and other drugs. As a non-profit organization the Beacon House depends greatly on the support of our community and generous donors that deeply and personally believe in our mission.

Thank you. Your donation to Beacon House will support recovery from alcoholism and addiction in many ways:

- Financial assistance for patients and families that would otherwise be unable to afford the help they desperately need
- Development of new programs and treatments that will help advance real recovery for a lifetime
- Preservation and maintenance of our historic property
- Support development of our out-patient and transitional living programs
